Mont Rochelle Permit included. → Winefarm / swimming pool / 2 nights accommodation	10
4	The taxi company will pick you up after breakfast and take you to the Theewaterkloof dam to prevent you from walking right next to the dangerous Franschoek Pass. (If you prefer to walk the taxi can drop you off earlier). Most of today's walking is right next to the main road. → Basic farm accommodation / own drinks	25
5	After a hearty breakfast you depart on one of the more challenging days on the itinerary, but the whole day is off the main roads. The first 7 km is a steep uphill over the Wolfkloof Mountain. You are now high up in the mountains and will enjoy beautiful views. → Own drinks / Mountain retreat / Braai option	20
6	From Rusty Gate, follow the main dirt road to Genadendal. The day has little rest options and may be challenging for some pilgrims. An option is to shorten the day by taking the taxi transporting luggage and choose a drop off point closer to Genadendal. (This taxi is not included in the itinerary). On arrival in Genadendal, enjoy lunch and visit the museum before a taxi takes you to Greyton. Overnight Greyton → Shops / restaurants/ street cafés / Beer brewery / swimming pool	25
